STREAMER classic aw 0.8

STREAMER classic stands out by its unique character and exceptionally efficient sound **absorption value of aw 0.8**. The thick, weft-dyed yarn, which looks as if it has been embroidered, gives the textile an impressive structure and volume. STREAMER classic blends harmoniously into any environment and sets stylish accents.

Key features:

- Transparent, flame-retardant acoustic curtain textile
- Sound absorption rating **aw 0.8**
- OEKO-TEX® Standard 100 certified
- Suitable for private spaces
- Allows natural light transmission and spatial transparency
- Reduces reverberation and improves speech intelligibility

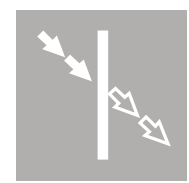

100% Polyester FR

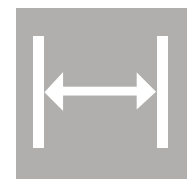

sound absorption aw 0.8

flame retardant
